Confederation of Montgomery, Alabama, (one of the most judicious and patriotic journals in the South.) declares that the new principles and theories upon slavery and its protection, the slave-trade, &c., urged by some extremists, are calculated to degrade the South or dissolve the Union. It asks

"Is there any save man living in this lieves that the laws prohibiting the African slave-trade can dows opening on Washington street.— which runneth thus: Baron, M. was out "items." be repealed? that Congress will inter- The General Reception Room, 28X28; is hunting one day with a favorite hound, vener discriminate in favor of slave property in the Territories, and pass a system of laws specially designed for its defence and protection? No man would the Gentlemen's Parlor, 21X28; still furbe so wanting in candor as to pretend that he had any such idea. Then, we are to stake the existence of the Union upon the issue of these two propositions, that 32X60, calculated for four tables, two of we admit at the outset are foregone con-What must necessarily and inevitably follow? Suppose we do instruct the southern mind, arouse the southern ardor, and attempt 'to precipitate the cotton States into a revolution: one of two issues then must happeneither the Union must be dissolved, or the South will refuse to secede; and then ever before. Would it not be better for us to consolidate our strength where we admittedly have the power than to friter it away by vain dissensions and efforts to expand it into regions where, if we succeed in giving it an ephemeral location, would give us no solid advantage-would in very truth, weaken our cause?

THE TURY ... A trot between Princess and Flora Temple at mile heats, best course, L. I. for a purse of \$1,000, Tuesday last, which was won in three straight heats by Flora. Time 2,234— 2.23 2.234 -- the fastest yet on record. They are matched to trot again over the same course on Tuesday next for a purse of \$1,000, two miles heats.

The ten mile trot, between "Broker" and "Roman Chief," at Norwich Mass., was won by the "Chief" in 32,12

At a recent swimming exhibtion in Liverpool, a London professor of the art went through some wonderful evolutions der water, and the amphibious practitioner closed his performancee by cating a cake, drinking a bottle of milk, and then noking a pipe under water, amid the unense applicuse of the speciators.

THURSDAY.

THE NEW HOTEL.

Last week we noticed the preparations which were being made on the part of our citizens to celebrate in an appropriate manner the opening of the New Ho-June 27, A portion of Garibaldi's troops tel in this place, which is now nearly finished, furnished, and ready for the reception of guests. It has, as we have before remarked, almost a national reputation from the many flattering notices it The vanguard of the Allies has received at the hands of the press, and it is not to be wondered at, that the moved to Volta-The corps of citizens of East Saginaw look forward to Prince Napoleon joins the its opening as an epoch in the history of main body of the Allied army this city which should be chronicled in commence the seige of Pes. glowing characters as an evidence of the chiera-The new British Min- inevitable growth and prosperity to istry declares in Parliament its which we are tending; and not alone East keep a hotel." determination to maintain an Saginaw but Saginaw City, and Bay City, and Midland City, and all the towns and villages and hamlets in the rich and fertile valley of the Saginaw, may well requarters from Volta, and cross- joice with us in an event which marks seventy rooms for the accommodation of Blade. ing the Mincio, fixes them at the progress of this whole section.

The new hotel, and we were in hopes of being able to give the name this week. the Adriatic-Grand To Dense is situated on the corner of Genesee and for the victory of Solferino, in Washington streets, having a front of one hundred feet on the former and one hundred and twenty feet on the latter. It which they are defeated by is built of brick, with stone sills and curved iron lintels for the windows. The main ELEVENTH WEEK OF THE WAR---THE ARMIS- building is ornamented with a heavy cornice, and the finishing walls above you? I will not open before you the speaks of this wonder: the French frigate Impetueuse. is of 'one cross' leaded tin, and cost \$1500. the success of woman's mights will af-

have deliberately decided that he must as follows: 13; 12; 11, and 10 feet.— the stout oak has yielded to the gentic strosity of a child born last week in Lawzephyr and the evening breeze. Then, rence, Mass., with a cat's head. But as not enjoy political rights. However, the The halls in each of the stories are 10 feet in width, running the entire length tiny, and determine that, while little chil-

Room, 12X28; and in the rear of these the Porter's Room, Bath Rooms, Wash Rooms, &c. The culinary apartments are still back, and in point of convenience and perfection of appointments and appurtenances are equal to those of any hotel east or west.

SECOND STORY. are five suits of parlors, 16X18, to be first, from the Cleaveland Plaindealer is directly over the office on the left. To when he espied, a little distance off, a noble the right, over the Shaving Saloon is buck. The hound made chase and ran ther to the right, reached by a Hall leading from the Main Ha'l, is the Billiard Room, which are now up. The balance of the second story is divided into Ladies' Bath Rooms, and what are denominated the "Landlady's apartments," being approated for the use of the domestics, help,&c. THIRD STORY.

This story is divided throughout into our position will be more degrading than suits of rooms to be used single or together as may be desired. The parlors are 16X18; Bed Rooms 12X18, with clothes

This story is occupied entirely by single sleeping rooms, 16X18, and 12X18 in

By means of a six horse power steam engine, both hot and cold water are carried to every story of the building; all the rooms in the first, second, and third stories, and the Main Hall in the fourth story, are to be lit by gas; the house is painted, finished, furnished, and carpeted throughout in the most elegant and tasteful manner, the beds are all the best of hair mattrasses, with linen sheets and pillow cases, spring bedsteads of late pattern; the laundry arrangements for washing and drying clothes are excellent for reflection or argument. Seizing the and in every department, in fact, it is in cleaved parts of the ion the great "tamer" all respects, a "First Class House." The clapped them instantly together. They rooms are all large, airy, and well ventillated, the halls spacious, the stair ways when he saw that he had put the lion tobroad and easy of ascent, and so arranged over each other that the danger of shildren's falling any great distance, which in some hotels is a matter of serious concern, is entirely obviated. There Some one observed that he must hought as the Apostle did, that etter killeth, but the spirit giveth

rooms, saloons, culinary and family

Beautiful Passage.

The following beautiful passage occurs at the close of an address delivered before the Public School of the 4th District, Washington City, by Mr. TROS. R. R. Cobb, brother of the distinguished Secretary of the Treasury:

ladies? Ah! may I not say a word to capped with white marble. The roof, splendid paths of fame, and ask you to The same Francis Joseph—The War Terminated by the PEACE OF VILLA FRAN. CA.

If the same of the mother and sister of the mother and sister. I can tell you what I can tell you what I can tell you what I can tell you who their mother and sister. I can tell you who the mother and sister. I can tell you who the mother and sister. I can tell you what I can tell you what I can tell you who their mother and sister. I can tell you who the mother and sister. I can tell you who the mother and sister. I can tell you of the gentle zephyr, that, as it breat arbs upon the mountain oak, hardly disturbs more some sinto tue Union she will come in a free State, though the Constitution will promiber as a coloning state. Of course when a free State, though the Constitution will promiber as a coloning store.

The building is four stores high, and the height of the several stories in the clear is respectively from 1st to 4th, as follows: 13: 12: 11 and 16 to the layer of the store of the store of the store of the store of the content with stout and superior minds in the exercises of the intellect; but I will tell you what I can tell you who the intellect; but I will tell you what I can tell you who the intellect point in the most act the county of Sagawa, State of Mehigan, and the cleventh day of May, 1836, executed by John Henry lim then of the civy Detroit, in the state of Mehigan, the ded, and has herectore been known only to some of his most intimate friends. The back of the head is quite flat, but he has long have the cleventh day of May, 1836, executed by John Henry lim that the civy of of which projects 4 feet on each that you may then content with stout and superior minds in the exercises of the intellect; but I will tell you what I can the to you about the influence of the mother and sister. I can tell you of the gentle zephyr, that, as it breated they on the mother and sister. I can tell you of the gentle zephyr, that, as it breated he was remained with a day of May, 1836, executed by John Henry lim that stout and superior roung ladies, understand your noble desdren, you will be the lights of the house long. -N. Y. News.

the Courier in the following poetic strain:

Breathes there a man with soul so dead, Who never to himself has said— "I'll one Buchanan paper take. Both for my own and party's sake?" If such there be, let him repent, And have the Courier to him sent.

MUNCHAUSENISMS.

From our exchanges of the past week On the left of the hall, in this story we cut the following "stunners." The with such extraordinary speed that he could not dodge the obstructions and encounting a small sapling, was split "clean through," from the point of his nose to the tip of his tail. The Baron was instantly on the spot and thinking that "some things could be done as well as others" clapped the two parts together, but in his haste made a complete "re-

> incredible speed at any angle desired. The Cleveland Plaindealer tells of a nagerie. Some of the new keepers commenced to torment the lion. Wishing to hear him roar, the brutes spit tobacco the cage bars—they gave way—he gleared man, striking his own head against the pole and splitting bimself from head to therefore with pleasure recommend them tail! It was done as evenly as though the printers and the people of Michigan he had been sawed by an experience mechania. The uproar brought Mr. Van Amburgh to the spot. The emergency required promptuess. This was no time The type of disease is bilious fever, and

though they do not strike the eye at who fell to fighting in a saw mill. In here, speak as well, as does the general which out him in two instanter. The character of the structure, for the judg-ment, taste and foresight of Capt, Krany continued to fight and whipped the other

HE DIED HARD.—It is stated lately, had general supervision of the building, but should be received with some grains finishing and ornamentation from founds. of allowance, that a bull raised near Paltion to cupola. The cost of the house when myra, New York, was so very ugly that it was decided to kill him. So the neigh fully completed will be \$50,000.00, the bors assembled and shot him full of balls furniture and fixtures \$15,000,00, making which only infuriated the beast. After in all the snug little capital of \$65,000. a long time he was penned up and tied 00, employed in the investment. JESSE securely with ropes; with a two-inch auger a hole bored in his head; a pound of Hovr, Esq., of New York, whose capital Dupont's best rifle powder was put in started this city, and who is now by far the largest property holder here, is the to pieces. Thirty-five minutes after his tail was in active motion, whisking flies

A NEW WAY OF RAISING THE WIND .--One of our "down east" exchanges records the exploits of a drunken brute reand, we are assured, "knows how to siding somewhere in the State of Massachusetts, who, among other diabolical There are in the house, exclusive of doings sold the dead body of his grandoffice, dining room, parlor, reception mother the net weight of which was nearly two hundred pounds, to a soap maker for soap grease. Whether it was used apartments, and apartments for hotel use; for that purpose is not stated .-- Toledo

Wonders WILL NEVER CEASE .-- Truly, wonders will never cease, and must forever by hundreds. We have now to record, on the authority of G. H. Smith, of this city, that a man named Karl Saul, who was born in Five Points, thirty-five May I not say a word to you, young years ago, has four eyes in his head, two in front and two behind. Mr. Smith thus

"Mr. Saul is a man of extreme diffiwhich was laid by New York workmen, walk therein. I will not tell you that dence, and the peculiarity of his visual
